

2018 Putney Farmers Market Policies and Procedures

Market Mission

The Putney Farmer's Market (PFM) is a non-profit organization whose mission is to build community and regional sustainability by providing a means of connecting local producers of agricultural products, prepared foods and crafts, with customers, for the benefit of both the producers and consumers.

Governance

Market policies and procedures are set by the Board of Directors (BoD), made of vendors, and the Market Manger. All decisions regarding market acceptance and space assignment are at the discretion of the BoD and Manager.

Membership Eligibility

Membership is extended to any person age 18 or older who is interested in furthering the goals of the market, and is willing to follow the rules of the market. In accordance with our goals of local community building, preference will be given to producers from Windham and Cheshire counties.

Membership is annual, and can be renewed by members in good standing (compliance with the PFM mission and rules) or initiated by new members, by returning the application form with membership fee. New vendors will be admitted as space allows.

All new non-agricultural vendor applicants will be juried by the BoD before being accepted to the market.

All returning vendors with new non-agricultural products will be juried by the BoD before new products will be accepted for sale at the market.

Nonprofit entities will be considered on an individual basis by the BoD.

In accordance with Federal, State and US Department of Agriculture policy, the Putney Farmers Market does not discriminate on the basis of race, color, national origin, age, disability, religion, sex, sexual orientation, gender identity, and marital status.

Applications

The application will be available online at www.putneyfarmersmarket.org Completed applications must be mailed to the PFM. All vendors are required to complete and return an application for approval before vending at the market. A non-refundable membership fee must be included with the application to be considered for membership.

Vendor Options

Full season vendors attend all 20 Sundays from May 27 thru Oct 7, 2018.

Half season vendors attend 10 Sundays in one of 3 categories: first half season, May 27-July 29; second half season, Aug 5-Oct 7; or every other week, all season long.

Daily vendors attend whichever Sundays they are able to, and should contact the PFM via putneyfarmersmarket@gmail.com no later than the Thursday before the Sunday market they wish to attend (72 hours notice).

Vendor Fees

Fees collected from all vendors will be used to cover rent, insurance, music, manager salary, marketing, supplies, signage and other general costs of operating the market.

The fees for the 2018 summer season are:

- All vendors pay nonrefundable \$10 **membership fee**, which must be mailed with application
- Full season vendors (20 weeks): \$200 **booth fee** (\$10/day) paid at start of season
- Half season vendors (10 weeks): \$120 **booth fee** (\$12/day) paid at start of season
- Daily vendors: \$15/day **booth fee**, paid each day of attendance at close of day
- All vendors pay a 3% **commission** on sales at the close of each market day

Spaces

All booths will be 10'X10'. Full and half season vendors can purchase up to two booth spaces per week if extra space is needed. (Day vendors are restricted to one booth space.) No more than 2 vendors may share the same booth.

The Market Manager will assign spaces, with feedback from the BoD. Daily vendors will be assigned space on a first come, first serve basis.

Vendors are responsible for all of their own set up materials, including tents and tables.

All tents and canopies must be adequately anchored/ weighted to reduce the risk of being moved by the wind. Vendors are responsible for carrying their own personal liability insurance.

There is no access to electricity at the market site, but there is a communal water line at the corner of the lunch tent.

Dates and Times

The market will operate RAIN OR SHINE, Sundays from 11AM - 2PM starting Memorial day weekend and ending Columbus day weekend. Consistent vendor attendance benefits individual vendors and the market as a whole. Every effort should be made by vendors to attend all market days they have committed to.

Absences

Empty spaces at the Market are a detriment to your fellow vendors and to the market. Therefore, all vendors must notify the market within 24 hours of a market if they cannot be present. **Failure to notify will result in a \$10 penalty fee.** Daily vendors who have requested space for a specific market and are absent without notification will also have to pay the \$10 penalty fee before being able to participate at a subsequent market. Failure to notify the manager of lateness or absence on a consistent basis will result in reevaluation of that vendor's right to sell, as per the BoD discretion.

Market Day (more detailed info will be sent prior to start of market season)

ALL VENDORS MUST BE SET UP AND READY TO VEND BY 11:00. All market vendors are expected to be at the market when it opens and stay until it closes.

Due to space limitations, all vendors will need to park their vehicles away from the market site after unloading their supplies.

The Market will provide a trash receptacle. The Market strongly encourages vendors to use eco-friendly disposables.

Vendors may not hawk their products at market.

Please leave pets at home, all market visitors will also be asked to do so.

Smoking of any type, at all times, anywhere on market grounds is prohibited for vendors and members of the public.

A local non-profit organization may operate a fundraising or information booth at no charge, by pre-arrangement and at the discretion of the BoD. Raffle items may be exempted from market criteria by the BoD.

Market Product Criteria

The PFM is a retail, producers-only market, meaning that all products sold must be grown or made by the vendor. One exception is farm promotional materials, such as t-shirts and canvas bags depicting the farm logo. These items will be acceptable, as they are in alignment with the mission of the market to support and promote local farms.

Wholesale vending of produce is prohibited at the PFM.

The BoD will limit vendors of a particular product if they deem the supply of that product to be more than adequate so as to prevent saturation.

All new non-agricultural products must be approved in a jury before being sold at market. A jury will be held before the market season, and several more will occur throughout the season.

Jury Process

After your application is reviewed, you will be contacted by the PFM Manager to discuss the next steps towards the jury process.

For the jury, you need to bring a sampling of the products you expect to sell at market. Please include any information that addresses jury criteria such as how your product is made, who makes it, where it is made, your ingredient/material sourcing, as well as anything else you feel the BoD should know about you, your process, and/or your product. Please also address issues of packaging and labeling, especially of prepared food products.

After the jury, the BoD will make its decisions, and you will be contacted by the Manager to learn the status of your application to the market.

Jury Criteria:

1. Quality products and workmanship
2. Different from other items at market
3. Appropriate for market

4. Use of local ingredients/materials when feasible
5. Packaging (preferably recyclable, low impact)
6. Less processed wholesome prepared foods and value-added products
7. Durable craft products

Insurance and Legal Compliance

It is the responsibility of the vendor to ensure that all products be made and sold in accordance with state and federal laws, including collection of any Vermont sales tax.

The PFM does not carry product liability insurance. All vendors are responsible for carrying their own individual liability insurance.

All scales used in the sale of products at the PFM must pass Vermont state inspection annually.

Market Objective

Together we will succeed by creating a vibrant, welcoming market experience for all members and visitors. Disputes between vendors, or vendors and customers need to be brought to the attention of the Market Manager, who will bring in the BoD if/when necessary. Discourtesy to patrons or other vendors is prohibited. In return for adhering to the above requirements, the PFM will strive to create a well promoted market and provide vendors and visitors with the best possible market experience.
